M'COMAS INJURED WHILE SLIDING

Former Colt Player Breaks Leg in Game Between Roanoke and Newport News.

[Special to The Times-Dispatch.] Roanoke, Va., April 18 .- In this afternoon's game with Newport News, McComas, Roanoke's shortstop, had his right leg broken, when he attempted to slide to second base. McComas, who played with Richmond last year, had made a splendid showing this season, and had promised to be one of Roanoke's fastest men. However, his injury will probably necessitate his leaving the game for the season. Newport News did not come back to-day, but if anything, their team work was much poorer, as is shown'by the final score, 11 to 0. Bert Gardin was on the mound for Roanoke for six innings, and his work was of a high order. He was succeeded in the box by Carpenter, a youngster, who finished the game in good style. Curley, for the Shipbuilders, did well, but with miserable support, he was unable to make a showing. The score:

Roanoke. made a splendid showing this season, Ronnoke.

Portsmouth evened the score in the fifth. Carter singled and stole second. He came home when Schrader fumbled Cook's grounder, though Powell looked to have Carter at the plate. Powell kicked so much he was put out of the game, following Garvin, who had been banished the inning before. Carter and Mundy, the former local amateur, were responsible for the winning run in the ninth. Carter singled again and repeated his trick of stealing second. Mundy dusted the left field foul line with a two-baser, scoring Carter. Norfolk threatened in scoring Carter. Norfolk threatened in its half of the ninth, when Pitcher Saze hit for two bases, but could not be pushed across. The score:

Norfolk, Va., April 18.—In a laughter-provoking game, the Portsmouth Pirates turned the tables on Norfolk this afternoon, and evened up for the defeat of yesterday, by winning, 5 to 4. The game was played on the Tars' diamond, and before a smaller crowd than attended the inaugural affair in Portsmouth yesterday.

Portsmouth scored three runs in the first inning on four consecutive singles, the last two coming across when Milan muffed a fly that would have made the third out. Norfolk took the lead in its half by scoring four runs and lina got off with a six-run lead, Grant being severely pounded in the opening innings. Aycock, the Carolina star, began to wobble in the third, when Virginia scored four runs, and in the fifth gave way to Craven, who was also unsteady. Five hits in the fifth, mixed in with three errors, netted the Virginians eight runs. Graves was called to the rescue, and there was no more scoring until the ninth, when, with two runners on, H. Bailey laced out a home run drive. Virginia played a splendid fielding game and hit well in the pinches. Grant was considerably off color, but was particularly deadly in strike-outs, whiffing an even dozen. Phillips starred for Virginia, in its half by scoring four runs and in its half by scoring four runs and getting three safe drives. Rixey Signs Contract

Philadelphia, April 18,—Eppa Rixey, the left-handed pitcher of the Philadelphia National League baseball club, to-day signed his 1913 contract and left with the team for Brooklyn. Rixey's failure to sign sooner, it is said, was due to his desire to continue his studies at the University of Virginia until June.

"Mike" Donlin is now the only Philadelphia player that has not signed a contract for this year.
